Participant Information

Your privacy is important to us. Thank you for your cooperation.

Name & Address:

Landline:

Mobile:

Email:

Who have you lost? :

Time elapsed since death:

Attending group sessions alone or accompanied? :

Contact details of any care provision:

GP name and address:

Other relevant information:

There are six dates on the Hope Again programme, with limited places. Most participants find that they gain most from the programme by making every endeavour to attend all of the sessions.

Data Protection: *I am aware that Hope Again Bereavement Group will store the above information only while relevant, after which it will be destroyed and am happy for that to occur. I realize that my data will be processed in accordance with GDPR guidelines which are effective from May 2018 and accordingly will not be shared with third parties without my authorisation.*
